Wood Badge for the 21ST Century

Wood Badge is a two-phase program for leaders who have completed the basic training requirements for their registered position. The first part uses unit meetings and an outdoor camping activity as a training ground for leadership skills. The second phase is developing a plan, called a "ticket," that gives participants an opportunity to practice and demonstrate a working knowledge of the leadership skills presented during the course. Participants should complete their Wood Badge ticket no later than 18 months after the course.

Personal Equipment and Uniform:

Wear the official BSA uniform for your primary registered position and bring your normal personal camping gear. A detailed list will be sent upon receipt of your application and deposit.

Camping experience is not a prerequisite, but attendance at the Outdoor Leader Skills course would be helpful to you.

Course Fee:

Your fee covers food, training materials, a hat, copy-right fees, supplies, insurance and recognition.

Recognition:

Successful completion of the entire training program is noted by awarding a parchment certificate, the distinctive Wood Badge neckerchief and leather woggle, and the Wood Badge—two wooden beads worn on a leather thong around the neck.

Wood Badge for the 21ST Century

Wood Badge brings together leaders from all areas of Scouting -- Cub Scouting, Boy Scouting, Varsity Scouting, and Venturing --and all levels of BSA professional staff. Reflecting the best of nearly a century of Scouting experience, the course also draws upon the most current leadership models used by corporate America, academic circles, and successful outdoor leadership organizations throughout the country. Focus is on leadership skills, group dynamics and Scouting methods all of which you will utilize in your Scouting job.

The course starts promptly at 8 AM on Friday and ends at 5 PM on Sunday each weekend.

Attendance is required at all weekend classes, and there are patrol meetings between weekends to work on assigned patrol projects. A current BSA medical form is required by the start of the course. The form may be obtained at the Council Office or on-line at www.alamoarea-boyscouts.org

Cost: \$180.00 per person -- \$90.00 deposit is required to hold your reservation.

At least thirty fully paid applications must be received 30 days prior to the start of the course in order for the course to be conducted.

Refunds will be given for medical reasons only.

Requests need to be submitted in writing no later than 14 days after the start of the course. All refunds will be debited a \$10.00 readiness fee.

Partial scholarships are available for those who qualify and apply in writing to the Council Office.
